## Section 6

Seven easy steps to complete this form  
Use the following instructions to help ensure this form is completed correctly.

**Step 1** Complete Section 1 by filling in your name, PADI number and current personal information.

**Step 2** Check the appropriate box(es) in Section 2 for the specialty diver course(s) you wish to conduct.

When applying to conduct Instructor-authored Distinctive Specialty courses, use one application per course. Then attach a copy of your Instructor-Authored Specialty Instructor Guide to the application. Make sure the name of your Instructor-Authored Specialty Diver course does not exceed a maximum of 32 characters (including spaces). Allow a reasonable period for this guide to be reviewed.

**Step 3** Ensure that you have documented in your logbook the correct number of dives appropriate to the method of application and the type of specialty course(s) you are applying to conduct. If you are applying for more than one specialty instructor rating, the same dive may not be counted toward two or more ratings. Then sign the appropriate Method of Application Statement.

Make sure any additional documentation is attached to this application, e.g., photocopies of certificates or both sides of any equivalent certification card(s) .

**Step 4** History of Experience section (page 3) must be completed and attached only when applying for a Distinctive Specialty Instructor rating using method 3.

**Step 5** Complete Method of Payment section. For a list of current application fees, consult your annual PADI Price List. Remember, the fees found in your PADI Price list are per Specialty Instructor rating; therefore, if you are applying for multiple Specialty Instructor ratings, multiply this fee accordingly.

**Step 6** Include Photo.

**Step 7** Review checklist and mail the application and any additional documentation to your PADI Regional Headquarters.
